

Dear

I will be joining other Young Adults in Detroit, MI, July 23 to 26, 2020 to volunteer with Camp Restore, Detroit. Camp Restore Detroit is an urban retreat center set up to house and feed our team. Camp Restore will connect us to service opportunities in Detroit. They provide our team with opportunities to restore hope to the residents of Detroit. Camp Restore will match us up with appropriate work and work sites. This could include the following:

- Building relationships and providing holistic support for street youth and homeless.
- Building relationships and providing holistic support for Detroit public schools, students, and families.
- Building relationships with future leaders to train and equip them to grow communities.
- Help restore houses in the Detroit neighborhoods but doing minor home repair and yard work.
- Helping with Vacation Bible School

The theme this year is “WE HOPE looking at the key verse of Romans 5:5 and the rest of Romans chapter 5. The two Latin mottos of Detroit is Speramus Meliora - Resurget Cineribus. It means “We hope for better things; it shall arise from the ashes.” The motto started after a fire swept through the city in the early 1800’s but stands as a great reminder to the community that look to build/rebuild the neighborhoods of Detroit. As followers of Christ, we have the ultimate hope of forgiveness and everlasting life. We will be taking that hope out to the neighborhoods of Detroit as we serve.

I am asking that you would prayerfully consider making a donation towards my trip! I would greatly appreciate anything to enable me to go to this Young Adult Servant Event.

Pray that I would be able to humbly serve and grow in faith through this awesome trip!

Sincerely,
